und Verpackungsmaschinen**

Which experts can assist with...?

- **Preparation of life cycle assessments**
- **Consulting and verification of the recyclability of packaging**
- **Tools for determining the recyclability of packaging**
- **Packaging consulting / Consulting on the sustainability of packaging**
- **Consulting and preparation of life cycle analyses (LCA)**
- **Bioplastics**

Which experts can support users of packaging and machine manufacturers on the various issues concerning the circular economy, sustainability, packaging design and recycling, etc.? The following list gives a first overview. It does not claim to be complete and does not constitute a valuation of the institutions and companies mentioned. It is updated on a regular basis.

Preparation of life cycle assessments

- [Ifeu: Institut für Energie- und Umweltforschung Heidelberg GmbH](#), Heidelberg (Germany)
- [Öko-Institut e.V.: Institut für angewandte Ökologie](#), Freiburg (Germany)
- [c7-consult e.u.](#), Lindau (Austria)

Consulting and verification of the recyclability of packaging

- Grüner Punkt: Duales _System, Köln (Germany): [Recyclingkompass](#)
- [cyclos-http: Institut für Recyclingfähigkeit und Produktverantwortung](#), Aachen (Germany)
- Stiftung Zentrale Stelle Verpackungsregister, Osnabrück (Germany):
<https://www.verpackungsregister.org/>
- [Fraunhofer IVV – Geschäftsfeld Recycling und Umwelt](#), Freising (Germany):
- [plastship GmbH](#), Waldems (Germany)
- [Circular Analytics GmbH](#), Wien (Austria)
- [RecyClass](#), Brüssel (Belgium)

Tools for determining the recyclability of packaging

- [Eco-design für Kunststoffverpackungen](#): Management guide of the "Round Table on Eco Design of Plastic Packaging
- [EasyD4R](#): Evaluation tool from Henkel
- [RecyClass Online-Tool](#)

Packaging consulting / Consulting on the sustainability of packaging

- [B+P Consultants GmbH](#), Berlin (Germany)
- [C.E. Schweig – Verpackung – Material – Engineering](#), Ellerbek (Germany)
- [denkstatt GmbH](#), Wien (Austria)
- [Verpacon Verpackungsberatung & Consulting](#), Leipzig (Germany)
- [Verpackungsberatung Bodemer](#), Wesertal (Germany)

Consulting and preparation of life cycle analyses (LCA)

- [denkstatt](#), Wien (Austria)

Bioplastics

- [Ifeu: Institut für Energie- und Umweltforschung Heidelberg GmbH](#), Heidelberg (Germany)
- [Fraunhofer-Einrichtung für Wertstoffkreisläufe und Ressourcenstrategie IWKS](#), Alzenau (Germany)
- [narocon Innovationsberatung](#) Dr. Käß, Berlin (Germany)
- [Fachagentur für Nachwachsende Rohstoffe \(FNR\) e.V.](#), Gülzow-Prüzen (Germany)
- [Johann Heinrich von Thünen-Institut](#): Federal Research Institute for Rural Areas, Forests and Fisheries, Braunschweig (Germany)
- [IfBB Institut für Biokunststoffe](#), Hannover (Germany)
